**We will be WORLDS No.1 JAPANESE USED CAR EXPORTER!!**

Buy directly from individual car user and save the margin.

Our professional staff will search the best used car for exporting and bid it cheap from 128 used car auction halls all in Japan. We export the best used car in Japan.

**japanese used car dealers in foreign country**

Japanese used car auction agency. we sell and export used cars. and we do all the process of exporting ourselves.

**For japanese used cars BUYERS!**

We send vehicles from Japan to used car dealers, motor traders and private users around the world. We are a member of about 128 auction halls all over Japan.

Welcome to  
USS Auto Auction.

**ID Z58410**

You can order a car from our stock or search in the auction list.

We will assist you in importing successfully cars from Japan. We ship vehicles directly from our stockyard or

TOYOTA RAV4

TOYOTA LandCruiser

auction yards, saving on extra transportation and administrative expenses.

As a result, our price are much lower than those of other big dealers.

We check the market price and conditions on regular basis time, to get the required vehicle at reasonable price

We recommend you two methods of purchase.

1. on receiving your order, we search and select a vehicle for you.
2. you search and select a vehicle in the auction site by yourself and send us a specific order.

## Stock List

If your car cannot be found in our stock list, please use Inquiry. Please feel free to contact us by phone or fax here.
